PRINCE EDWARD COUNTY ICE CIDER

Russet, Ida Red and Northern Spy apples, varieties that do not fall when ripe, but remain on the tree through freezing temperatures, are used to craft our award winning ice cider. Amber-hued, its taut acidity is the perfect foil for its delicious caramel apple and crème brûlée flavours. Enjoy alone as an aperitif or serve with foie gras, aged cheese or desserts such as Tarte Tatin. Serve well chilled (4-6C). Prince Edward County Ice Cider is available for purchase at our tasting room and retail store.
